

Every Child Matters Academy Trust
Children at the heart

High View Primary Learning Centre

My New Class.

Class Teacher: Mrs Darrington

Teaching Assistant: Mrs Joyce

General information

- Please bring PE kits on **Monday** and take them home at the weekend for washing. PE with Mr Crossley is Thursday afternoon.
- In PE Kits, please ensure your child has trainers.
- Classroom doors open at 8.50 in the morning
- **No jewellery** should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to **label all uniform** to prevent it from getting lost.
- Correct uniform must be worn at all times— no trainers or leggings.

Further Information

I really hope this guide has given you more of an insight in to your child's next year at High View Primary Learning Centre.

I'm sure that although Year 6 requires a lot of hard work it will also be a very enjoyable and rewarding time.

If you have any further questions then please don't hesitate to ask the staff at our school, who will do their best to answer your questions.

Tel: 01226 273220

Our Curriculum

Your final High View adventure...

In the autumn term our topic will be 'Inspirational People, Aspirational Us'. We will think about what we want to do as we grow older and study inspirational people who have achieved amazing things throughout their life. We then move on to our second topic 'Rampaging Raiders' where we learn about the Vicious Vikings. Obviously during this term we have our amazing residential trip to Robinwood!

We kick start the Spring term with a 'Flash in time' with the main focus around science and computing. Learning about 'The Great Debate', we study Ancient Greece and how democracy began before looking at a relevant, current, democratic issue.

Summer will quickly be upon us and it's time for 'Deforestation, Destruction, Death!' This is when we delve deep in to the Rainforest and look at the current issues in climate change. It is also time for the final production and celebration of the brilliant time you have had at High View.

Brief outline of the day;

Every day is new and exciting in Year 6, however we try to keep it as structured as possible.

Below is an example of what your day may look like.

Morning work & register

Guided Reading

Assembly

Break

Maths

Lunch

Topic & Writing / PE / French / computing

Mrs Smith's Poem

Year 6 it is, for us in September

A time to create memories, for us all to remember

Your teachers are great, and your TAs too

There'll be lots of fun learning, for us all to do

So we'll see you all soon, we really can't wait

To see you ready to learn, when you walk through the school gate.

You will need to enter school through these doors,

Our cloakroom is ...

Our classroom is

My New Class

About Mrs Darrington

It feels like I am part of the furniture, I taught at Highfields initially and joined High View when we opened. I have now been teaching 16 years and this will be my 12th Year in Year 6! I am so excited to complete your final year at High View with you and what a fantastic final year it will be! Working hard, we will explore wonderful exciting topics and get Secondary ready! I love teaching all the different topics but maths is a definite favourite. I cannot wait to see you after the summer and join you on the your last High View journey!

Teaching Assistants

Mrs Charlesworth

Age – over 40 (ugh)

Height - 5ft 7inch

Weight – increases by the day

Family – married for 16 years to Mr Charlesworth and two children aged 11 and 8

Likes – Her children (sometimes), gardening (RSPB member) - growing plants from seed, garden design and anything outdoors really, hiking, reading (always at least two books on the go [currently reading the Artemis Fowl series and a garden design book]), food and cooking/baking (hence the increasing weight), sci-fi and action films (fave film Avatar), animals and wildlife (RSPB member) - currently have blackbirds nesting and rearing in garden)

Dislikes – bad manners, black and white films and sprouts

Work and qualifications – worked at High View for 3 years. Worked in FS2, Y2, Y3, Y4, Y5 and soon Y6 (yay!) Degree in Media and Philosophy – loves a good debate

Specialist skills – good with hands e.g craft, making things from scratch, good with English language and spelling, and maths except long division and some algebra.

Mrs Smith

I have worked as a Teaching Assistant for around 14 years and have been here at High View since January 2019. I really enjoy my role and can say I've never worked in a school as lovely as this one.

I have a wonderful family and lots of friends, all with whom I enjoy spending time with. My interests include shopping, reading and baking, however I often find myself getting out a pen and paper writing little poems.

I am really looking forward to seeing you all in September, and to say I'm excited is an understatement... I can't wait!!
