Northern College Event:

Northern College

Eat well, spend less!

Need some new recipe ideas for the family?
Or just looking to learn something new and get out for the day?

Join us for the day and:

- Learn how to cook with a slow cooker
- Fun activities for all the family
- Leave with your own slow cooker or voucher

20th April 10am - 4pm - scan the QR to book

Northern College are hosting an Eat Well, Spend Less! day on Saturday 20th April (10am-4pm).

During the day there will be a series of activities, including a cooking workshop, treasure hunt and games, which are centred around learning about how to live a healthy lifestyle on a budget.

They would like as many people to come as possible, so would encourage you to share the event with friends and family. You are welcome to bring children with you as a part of the day.

For taking part in the day, you will

- Cook a slow cooker meal which you will take home with you.
- Receive either a slow cooker or a £20 food shopping voucher for a major supermarket.
- Be provided with lunch for all who attend
- Have travel costs reimbursed if needed

If you would like to attend, please complete the form by following the link below.

April update from children's speech and language therapy

Stammering

Two of our staff attended the recent SENCO forum. We'd like to encourage all schools to become stammer friendly and promote understanding, inclusivity and acceptance of stammering. More details at [Hey, it's okay to stammer](#). Watch out for our secondary resources coming soon!

Resources

We are always looking for ways we can be greener with our resources. We are often asked to provide our colour coding folders to schools to help children with sentence building. The colour coding folders can be reused with different children. If you would like a colour coding folder per year group/class so that they can be reused please contact our admin team on barnsley.speechtherapy@swyt.nhs.uk

Early communication

Take a look at our [early language](#) playlist on YouTube. Here you will find videos packed with advice and tips on how to support early communication.

Training

Our next **phonology training** course will run on Wednesday 12th and 19th June from 9:30am - 3pm. Suitable for parents/professionals working with children in Barnsley who require speech and language therapy. Our next **stammering training** course will run on Friday 7th June from 9:30am - 12:30pm. Suitable for professionals only, working with children in Barnsley. Our next **building vocabulary** course will run on Wednesday 3rd July 9:30am - 12:30pm. Suitable for education, health professionals and parents/carers working with children in Barnsley only. Applicants can apply on Eventbrite for these courses and our other training using this link: [Barnsley speech and language therapy training](#). All training is free and delivered via Microsoft Teams.

Referrals

Please remember to use our new referral form which can be found on the website or via [this link](#). Referrals on any other form or referrals that do not meet the criteria will not be accepted.

Reminder to families to cancel health appointment during school holidays

During school holidays, services see an increase in non-attendance. Could we ask schools and settings to send out messages to encourage parents and carers to rearrange health appointments well ahead of time if they know they are not able to attend during holiday periods? Thank you – we really appreciate your support.

3 Day welfare visits:

As a school, safeguarding is our main priority (making sure all our families are safe and well). This is why, no matter the age of the pupil, our policy sets out that a member of staff must visit the child if they have not been seen in school for on the third day of absence.

As you may be aware, nationally, there have been recent occasions where families would have benefitted from these visits and in one case would have saved a young person's life. It is all about making sure you have everything you need and nothing to do with statutory school age procedures in line with attendance.

Hive Playgroup:

Our exciting playgroup is now up and running again every Tuesday morning 8.45-10.15am in the hall.

Bring your little busy bees ages 0-3yrs along for a play.

Mrs Marshall and Mrs Hill look forward to seeing you.

Upcoming Playgroup sessions will take place as normal on: 23rd, 30th April, 7th May, 14th May.

A New Exciting opportunity for parents!

We are going to be hosting Barnsley College as they deliver some training for parents. These interesting and engaging courses are free to access and will be held on a Friday morning in school.

Please have a look at the links provided and **ring the office to put your name on the list if you would like to attend.** The courses will be offered on a first come first served basis.

Healthy Peer Relationships:

Please see below information to support your children with healthy peer relationships.

SUPPORTING YOUR CHILD WITH HEALTHY PEER RELATIONSHIPS

Healthy friendships support positive mental health and well-being. Feeling included within a friendship group and having a sense of belonging can be important for a young person, they should think about what qualities within a friendship are important to them and how they want to be treated within their friendships.

WHAT IS A HEALTHY FRIENDSHIP?

- Forgiveness
- Boundaries
- Honesty
- Trust
- Listening
- Support
- Compromise
- Apologising
- Respect

COMPASS BE

TOP TIPS FOR PARENTS/CARERS

- Positive relationships start with ourselves! Encourage your child to value themselves as an individual, recognising unique qualities and talents they have.
- When helping to navigate friendships, it's important your child knows that we can't control other people, what they do or what they say. But we can control how we would like to be treated!
- Open conversation - Let your child know the door is always open to talk friendships when they are ready! Encourage feelings sharing, listen, no-judgement and empathize. Friendship issues can often feel like the end of the world in that moment!
- Get to know your child's friends and who they spend time with.
- Being a good role model is important too! Modelling positive friendships will help your child understand healthy friendships more.
- Arrange opportunities for your child to socialise in safe environments, it may be a hobby, interest, youth club, community project. This will allow them to build confidence and make new positive relationships.

For further advice and support on supporting your child's friendships please visit the webpages below..

Friends can often be a good source of mental health support for young people, giving practical advice, providing distractions and having fun. Sometimes, friendships can also become unhealthy quite quickly which can have a negative effect on a young person's well-being. It's important young people know how and where they can get support when this happens.

WHAT IS AN UNHEALTHY FRIENDSHIP?

- Not feeling supported
- Rumours
- Jealousy
- Arguing frequently
- Feeling left out
- Controlling
- Can't be yourself
- Peer pressure
- Bullying/Cyberbullying
