

Can you explain where you belong? How do you belong here? What makes it fit for you?

Can you draw High View Primary in the style of the illustrations in the book?

Draw your teachers / teaching assistants as 'Lost Things'. Think carefully about the size and shapes of them.

Make a Lost Thing out of geometric shapes – label them and say why you have chosen the (this can be draw on paper or made out of card).

Kahoot quiz – match the fact to the lost teacher.

Draw a treasure map and write clues across the world to locate a lost thing – use compass directions, different continents, seas and countries to help find your lost thing.

## MaThs IDEAs

Fluent in 5

Shape Kahoot – play and see how well you know your shapes!

Make a Lost Thing out of geometric shapes – label them and say why you have chosen the (this can be draw on paper or made out of card).

Find the different shape in some famous landmarks/buildings. What is the most unusual 3D shape you can find? Look around the world/ places such as London, Tokyo, Dubai, Barcelona, Peru, Egypt and anywhere else you can think of.

Make a collage of the different buildings you find and label and discuss the shapes.

## LitEracy IDEAs

Design an advert for yourself – what do your new teachers need to know about you?

Design and write a postcard to your new teacher to tell them something about your favourite place or hobby.

Write a story about the lost thing after it is left in the building? Think about if it is the right place for it.

Write down your History at High View – thinking about when you joined, the different teachers, different trips/ competitions and any other exciting experiences.
