## The Tiger Who Came to Tea

Judith Kerr

<https://www.youtube.com/watch?v=BXgW9UCgpc8>

- Listen to the story several times and encourage children to join in with parts of the story
- Find out information about Tigers. Where are they from? What do they really eat?
- Make sandwiches and have a 'picnic' with soft toys/figures
- Draw/paint a tiger, remember details such as whiskers, teeth and claws
- Draw a map to your house so the Tiger knows where you live and how to get there
- Use 3D google (search Tiger, scroll down to 'view in 3D' on mobile phone) and see a tiger in your house!
- Create a menu for an imaginary Tiger tea party
- Look at animal prints and try and find repeating patterns e.g. tiger stripes, zebra stripes. Can you create some animals with repeating patterns on them using paint/crayons?

## Maths Ideas

(try to do one activity a day)

- Watch a [Numberblocks](#) clip each day at: BBC or CBeebies
- Sing [Number songs](#) to practice counting, reciting numbers in order, one more, one less using number songs: Five Little Speckled Frogs, Five Little Monkeys
- Ask your grown up to write a number very slowly, shout out the number as soon as you think you know what it is! Swap and you have a go at writing the number
- If you make sandwiches for your picnic can you cut them all in half? How many pieces do you have if you cut something in half?
- Fill and empty jugs/cups and try and put them in order, which holds the most? Which holds the least? Which is the emptiest/fullest?

## Literacy Ideas

(try to do one activity a day)

- [Watch your child's RWI Phonics Session on you tube](#)
- Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child's book band. You can create a free account. Your child could share a book every day. This can be reading a book aloud everyday or sharing a book with an adult.
- Write a shopping list
- Make invitations or write letters inviting other animals to tea. Which animals will you invite and why?
- Once you have found out some information about Tigers, create a poster telling other people about them
