

Week 1 - Home Learning Timetable - Focus - Little Red Riding Hood - Where is the Wolf?

Here is a suggested timetable of the daily tasks we would like your child to join in with. Don't feel that you have to stick to the times, work through the daily task in the way that fits best for you and your family. Here are some points to support home learning.

- Read daily- Books on oxford owl, stories, non-fiction and rhymes. Share books with an adult, read independently the text at your level. Read your favourite book to each other - model enthusiasm in reading! (10 mins)
- Practice reading, writing, ordering and drawing numbers 0-20 throughout each week. Count forwards and backwards to and from at least 20, progress to 50 and challenge yourself with 100! (5 mins)
- Play number games, count in 2's, 10's 5's. You can locate rhymes and games on You Tube that are great for active maths! (10 mins)
- Handwriting is really important to practice daily. See your teacher's video clips to support your practice. (10 mins)
- Spellings - Choose 3-5 words each week to practice every day. Please practice reading and spelling these words, and expect your child to spell them correctly in their writing once they are learnt. A little practice every day means they won't forget what they already know. (10 mins)
