# High View Primary Learning Centre

# Transition Booklet

# Class 3DW

Class Teacher: Miss Williams

Teaching Assistants: Miss Smith and Mrs Lloyd

# My New Class

When I come back I will be in: 3DW

My classroom is: second door on corridor

The doors I use will be: Y3/4 doors (the first doors as you come through the main gate)

My teacher is: Miss Williams

My teaching assistants are: Miss Smith and Mrs Lloyd

## You will need to enter school through ...

the Y3/4 doors. These are the first doors you get to when you come through the main gate.

## Our cloakroom is ...

just outside of 3MM classroom. You will have your own peg to store your coats, bags and PE kits on.

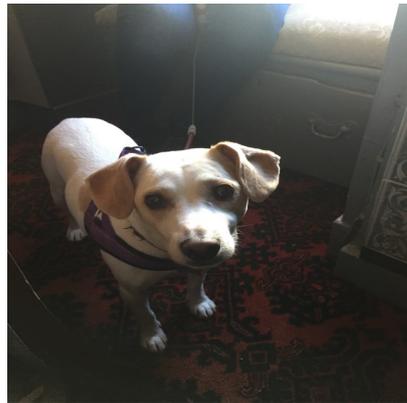

## Our classroom...

is the second classroom on the corridor upstairs. We are very lucky as we have lots of space outside the Year 3 classrooms to do learning and have some fun.

## **About Miss Williams**

I started teaching at High View 4 years ago and have spent 3 of those years in Year 3 and last year in Year 1. I am very much looking forward to being back in Year 3, getting to know you all and sharing the amazing learning we do in Year 3. I love teaching all aspects of the curriculum but my favourite is Science as some of you may know who came to my Science club.

I have a beautiful dog called Billy who is a Jack-a bee, a cross between a Jack Russell and a Beagle. He is very cute and I am sure I will be sharing lots of photos of our adventures.

## **Teaching Assistants**

### **Miss Smith**

I started at High View a year and a half ago, and have spent all my time in year 3. I have loved every minute of learning in year 3 and I am looking forward to having another fantastic year! My favourite topic to learn about is Volcanoes, but we will have lots of fun every day!

When I am not at school, I enjoy going for walks with my camera and exploring places I have not been before, I'm sure you will hear about some of my adventures I have been on next year!

### **Mrs Lloyd**

I started working at High View 3 years ago and I have worked across all of the different year groups from Nursery through to Year 6. I enjoyed working in Year 3 last year. I am very much looking forward to meeting you all and helping you learn. Some of you may already know me from coming to Small World at golden time.

I enjoy visiting the seaside with my family and staying in a caravan. I like playing on the sand and paddling in the sea. My favourite foods to eat at the seaside are chips and candy floss.

## Our Curriculum

**Our exciting curriculum is divided in to three terms:**

We cover some amazing topics in year 3 and go on some wonderful learning adventures!

We begin our year with our whole school topic: People who help us! In year 3 we begin with Fire Starters! Here we will take a journey from the Stone Age to the Bronze Age and land in the Iron Age looking at how these wonderful inventions still help us today.

In Autumn 2 we have a look at Crime and Punishment! Sticking with our journey through the ages, we will look at how crime and punishment has changed. We also have a visit from the fire service and take a trip to Creswell Crags.

In Spring 1, we dive into all things chocolate with our new topic: Choco Block. We will look at where we got chocolate from and take a trip to the Chocolate Story in York!

Spring 2 starts with a BOOM! We will investigate the world's violent volcanoes—I wonder what we will find?

In Summer, we finish our year with High View Cares! In year 3, our topic will be Save Our Bees where we become bee detectives and learn about why bees are so important to us! We will also visit Stockbridge Technology Centre!

As well as our exciting topics, you will also begin having French every week! Bonjour! Comment ça va?

We are also hoping that we will be able to go swimming this year as we normally do in Year 3. Watch this space!!!

It's going to be a busy year packed with lots of learning, discovering and fun—I hope you are as excited as we are!

### Timetable info /rough outline of week

Although no two days are the same in Y3, we follow a timetable to make sure we fit all of the fun learning in to the week! It looks something like this:

Morning Work

Register

Maths

Assembly (except on Tuesdays)

Guided Reading

Literacy

Lunch

Topic / Science / Wider Curriculum

Home time

### General information

- Please bring PE kits on **Wednesday** and take them home at the weekend for washing.
- Classroom doors open at **8:50 (10 minutes to 9)** in the morning
- **No jewellery** should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to **label all uniform** to prevent it from getting lost.
- School Dinners: school dinners change each week on a 3 week rota. You can choose from traditional, vegetarian, grab-a-bag, jacket potato and pasta pot on certain days.

Over the holidays I might feel some worries or have some questions. My grown-up can contact Miss Williams if they feel urgent but I can also write them down on this table to see how they can be resolved. On the first day back my questions can be answered.

My Worries	How I / others can help

## Year 3 Checklist:

To help me in a morning, I have a checklist of things I might need to remember. This will stop me worrying that I may have forgotten something.

Reading Record (5 reads a week)	
PE kit (Wednesday)	
Water bottle	
Homework (given out weekly)	
Letters	
Reading book to change	

# All about me!

## Things I Like in School:

Here I can write / draw about the things I like in school and things I am looking forward to next year. This will help me feel positive about my return to school in September.
